10. **OLD BUSINESS**

- Information packets were made and are in the Town Hall for the auction of the Spang Building. Also a notice was posted on Facebook, the Town website and also hanging on the bulletin board in the Town Hall. Supervisor Gould reminded the Board the date of the auction.
- Supervisor Gould went over the bills for the Water Board. He also went over what happened at the last Water Board meeting. States they are working on finalizing the budget and that at the Water Board will be hiring Debbie Wight as Water clerk and Amanda Gilliland as Deputy Clerk as Criss Nunamaker will be retiring at the end of July.
- There has been some data collection done for the reassessment. So far Generations Appraisal Services has turned in a bill for 1082 parcels, that they collected data on between 6/3/2016 and 6/9/2016. (according to Allegany county, Bolivar has 1565 properties)
- The Clerk is currently working on the paper work for Xpress Pay for taxes. Faxed the Client profile to Brian Campbell at Systems East on 6/23/16. Will wait and see what else needs to be filled out.
- Highway Superintendent Schiralli dug a trench by the Village Police's door on 5/19/16. States all that needs to be done now is the eaves troughs. Supervisor Gould will get some quotes and contact the Village. Then the pavement should stop eroding as there will be proper drainage off the roof once everything is done.

- Electrician Phil Barnes gave an estimate that was approved by board 5/17/16. Left a message on Phil Barnes answer machine that estimate was approved. Started work on 6/13/16. Completed work 6/17/16. The bill for Mr. Barnes services is in vouchers.
- The Sign building is mostly cleaned out. Highway Superintendent is still trying to contact Mr. Perkins about moving the building.
- Sent an e-mailed to Scotts Lawn & Landscape Services regarding complaints received about his crew hitting headstones. Mr. Scott replied and states they have a new foreman and will review procedure and care of cemetery with crew. As far as headstones, they could not tell when damage was done so will try to keep a better eye on things from now on.
- The court fax machine is still not working properly. Supervisor Gould will look into this some more, as not sure if it's the machine or the line it is connected into.

11. **NEW BUSINESS:**

- Received 2 complaints about the cemetery regarding mowing for Memorial Day. The Board discussed that maybe at the next bid they should put in the bid that the cemetery has to be mowed the Friday, Saturday, and/or Sunday before Memorial Day. Other than Memorial Day, The Board thought Scott's had been doing a nice job mowing.
- If the Board is interested, there is a Legislator's Clambake on 7/29/16. Tickets are pre-sale and no tickets will be sold at the gate.
- The Board discussed putting a sign up for the drop box that is on the outside wall of the Town Hall. The Board thought it might be better to look into getting a locking mail box that can hang by the door so it is visible to anyone wishing to drop something off after office hours.
- The Village Board has asked Debbie Wight to be the new Village Clerk and Amanda Gilliland to be the Deputy Village Clerk, as Criss Nunamaker will be retiring at the end of July. They both have agreed to work for the Village in addition to working for the Town.

The trees in the cemetery are not cut yet but they are on the to-do list. There was a complaint about a tree encroaching someone's lot. The Board thought about contacting a tree service to come and take down trees. No decision was made.
