9. REPORT OF TOWN OFFICIALS:

- **Highway:** Highway Superintendent Brad Schiralli gave his report to the Board. Mr. Schiralli updated the Board on the current road projects we are working on. We are currently cleaning and digging ditches on the Willow Brook Road. Also replacing a 24-in crossover culvert pipe in the road.
In February I had backed into a steel post with the 2022 Chevy 1 ton pickup at the cemetery while plowing. The result of backing into the post caused damage to the right-hand side of the pickup box.
Ken Austin from Pine Grove Collision gave me an estimate of \$1,500 for the repairs. I am working on getting two more quotes for this repair.
Tomorrow we will be going to pick up topsoil to start filling in and seeding back the fresh cemetery graves that we had dug last fall and winter.
I have three price quotes on the removal of the 3 trees directly behind the maintenance building in the cemetery. These quotes are for the contractor to only cut and get these trees on the ground. The highway crew will be responsible for all the cleanup and removal of the debris.
McGraw tree service from Alfred is the lowest quote at \$2,400.00
On a motion made by Councilperson MacDonell, seconded by Councilperson Majot to approve McGraw Tree Service to remove the 3 trees in Maple Lawn Cemetery.
